

REPORT OF CONVENTION COMMITTEE
Wednesday, September 20, 5:30PM

Meeting called to order by Chairman Mike Heather at 5:34PM.
Committee members were acknowledged.

The Convention Committee duties this year included arranging for meeting rooms and audio visual equipment, manning and stocking a hospitality suite, providing an office with word processing and photo copying capabilities, scheduling transportation and pool facilities for training, certifying delegates, and other various tasks both of import and the mundane!!!

We wish to gratefully acknowledge the help of Gulf Masters swimming, and Kris Wingenroth especially, for their help contacting and negotiating with the various contractors with which we had to deal. Thanks also to Russell Groceries for their kind and generous donation of food and drink. A particular thank you to President Mel Goldstein for his active participation early in the year.

We have been in contact with representatives from Orlando, Florida and the convention outlook there next year is indeed bright. They seem to be an aggressive, active group, and we expect to have an excellent experience.

U.S.A.S conventions in the future are:

- 1996 - Orlando, Florida - September 8 - 15
- 1997 - Burlingame, California
- 1998 - Cincinnati, Ohio

Meeting adjourned at 6:00PM

Respectfully submitted,

Mike Heather
