Re: Convention Certification

I'm returning your list from the Hacketts, annotated
as E = Executive Committee
B = Board of Directors
H = House of Delegates
O = non-voting member

Southern Pacific has not sent me delegate certifications.
They have four votes - I know one goes to Schofield and
one to Reg Richardson. There are three other people
listed, Hagen, Evans and Murray. I understand Janice
Hagen will only be present 1½ days and I believe not on
Saturday, so she may be the one with no vote in the House
of Delegates. Steve Schofield promised me at Portland
he'd send me the list - but ---

The second listing is our own USMS certified delegates.
The following on that list don't show up on the USAS
listing:

Fla. Gold Coast - Catherine Rust
Metropolitan - Tim Johnson
North Carolina - Dorothy Resseguie
Michigan Marilyn Early

Those LMSCs who have not sent in delegate certifications
have to clear with Nancy Ridout.
