

International
Committee

Propose that the International committee be authorized to communicate with other countries' Masters groups, to receive information 12 months in advance of major meets, and to be a source of information on our major meets for these groups.

Propose

~~Propose~~ that the International committee reach an agreement with Masters groups in other countries concerning team designations and other rules.

Propose that USMS designate the Registration Card as our travel permit, and that this be indicated on the card as it was for 1982.

INTERNATIONAL COMMITTEE

Input from Committee indicated that there ~~is~~ is a great ~~and~~ deal of interest in the M.S.I. Championships in New Zealand in 1984

In addition, they want to continue with having the International Calendar which provides details of International Meets all over the world ~~and~~ places to swim in foreign lands

There was discussion regarding a Travel Permit that should be purchased by swimmers swimming in other countries but it was decided that it would be too difficult and costly to operate.

It was unanimously agreed that U.S.M.S. should affiliate with M.S.I.
