Susan pointed out that the following clubs/workout groups did not have representation: Northern Kentucky Swordfish Masters, Western KY Green Gators, Clear Creek Masters, and Ashland Y Masters.

Susan moved to approve the November 2016 KY-LMSC meeting minutes and C.J. seconded. Motion passed.

Treasurer's report: Dave presented the Kentucky LMSC Profit & Loss Budget vs. Actual and Kentucky LMSC Checkbook Balance reports, both dated January 1–December 31, 2016. This is the report that was sent to the USMS National Office. Copies of the combined reports are attached. C.J. moved, Bill seconded, to approve the treasurer's report. Motion passed.

Dave presented the 2017 budget (attached). C.J. moved and Meg seconded to approve the budget.

Registrar's report: As of February 19, 2017, there are a total of 487 members, with four registered clubs. Discussion about the statistics of the Kentucky LMSC and the appointment of committee chairs. C.J. moved to approve the registrar's report, Bill seconded. Motion passed.

Unfinished Business:

- Dave presented the updated travel guidelines. The new guidelines will be posted on the LMSC website. Bill moved to approve the guidelines. Cork seconded. Motion passed.
- Discussion around getting KY-LMSC members nominated for national recognition for their service to the Kentucky LMSC. Tabled for final discussion at the next meeting in November.

New business:

1. Convention is in Dallas, Texas, September 13–17. Be thinking about your interest in attending.
2. Mike Johmann recently swam across the Ohio River from Jeffersonville, Indiana, to Louisville, Kentucky. Mike is asking for this to be certified as the first ever winter solo swim across the river. Meg discussed the matter with the chair of the USMS Long Distance Committee, who advised against certifying the swim, but suggested the LMSC commend Mike. Therefore, the KY-LMSC commends Mike for his achievement.
3. Need to consider purchasing touchpads to replace the old ones that are currently housed at St. Xavier High School in Louisville for the use of the KY-LMSC.
4. Discussion about best way to handle registration issues for a small contingent of triathletes at the University of Kentucky who mistakenly registered with USMS. Decision was made for the LMSC to write a check to refund their registration fees. We will then have to work with the National Office to get them removed from USMS membership roll and to recover the refund.
5. Discussion regarding the development of a reimbursement policy for continuing education and certification process for coaches. The new Executive Committee will be responsible for the creation and execution of the policy.
6. Susan gave an update on our LMSC and how we rank among the other LMSCs for compliance with LMSC standards that are in place under USMS.
7. William asked that each of the meeting attendees send him information regarding their team websites.

Formation of the LMSC: **AYMS** = 8 swimmers, 1 delegate; **BEST** – 10 swimmers, 1 delegate; **CARD** – 10 swimmers, 1 delegate – Bill Tingley; **CCM** – 23 swimmers, 1 delegate - TDB; **DT04** – 6 swimmers, 1 delegate – William Kolb; **LAKE** = 83 swimmers, 3 delegates - Pam Luebbe, Chris Neichter; **LT** – 6 swimmers, 1 delegate; **NKSM** – 14 swimmers, 1 delegate; **SLM** – 61 swimmers, 3 delegates - Andrew Magazine, Tom Mester & Susan Ehringer; **WILD** – 168 swimmers, 6 delegates - Meg Smath, Dave Burgio, Cork Haberek, Steve Hellman.; **WKG** – 54 swimmers, 2 delegates - Randy Hansbrough .

LMSC -2016

In 2016 the LMSC will report a gain of \$2298 compared to a Budget of \$106. The following are the key factors:

Income:

1. Membership revenue was \$254 over budget;
2. Other income increased by \$745 over budget due to Meg Smath giving her USMS reimbursement check to the LMSC.

Expenses:

1. Convention expense was reduced by the attendees taking a van, and there was one less attendee than initially anticipated;
2. Office expenses were less than anticipated.

2017 Budget Comments

LMSC - 2017

Income:

1. Budget income is essentially the same. There is an increase of \$250 for membership revenue, AND, an estimate has been made for USMS reimbursement.

Expenses:

- Expenses are essentially the same as last year with the addition of \$1300 added for travel as recommended by Susan Ehringer for a planned USMS meeting apart from the Convention. It is estimated that 4-5 persons will attend the Annual Convention, not including those paid for by USMS. However, the number attending could vary depending on the cost of the additional travel as noted above.

Net Income is projected to be breakeven - \$20.

Respectfully submitted,
Dave Burgio
