TO: Dorothy Donnelly, Secretary USMS
FROM: Ted Haartz, Chmn. Registration COmmittee

Subject: Oct.1, 1982 Registration Committee Meeting, Memphis, TN

Nineteen(19),(attendance roster attached), Masters Swimming delegates attened this meeting. The registrar reported that as of that date USMS had registered 11,294 swimmers and 235 clubs.

After a good deal of discussion as to what the various 1983 forms, cards and information should include, June Krauser made a motion that Enid Uhrich be rehired as registrar for 1983 and that the registration chairman will seek cost effective bids by May 1, 1983 for this service, such bids to be presented to the 1983 convention for the 1984 registration year. Seconded and passed.

There was considerable discussion of a proposal by American Sports Management which offered complete registration, insurance coverage and a number of other office type services for \$2.00 per swimmer registered. This bid became extremely difficult to analyze by the committee because we could not ahead of time, determine what office services we might need if the Board of Governors voted to associate with the Masters Sports Association which would fund a number of these services through a sponsor. The Treasurer, Reg Richardson, estimated that on .12000 registrations, the Am. Sports Mngt. bid would be more expensive.
