## 1974 Top Ten Short Course Errata

## Comments

Because of the number of late meet results we received last fall, your records chairman and top ten committee will not accept meet results postmarked after September 15, 1975. If you, as a swimmer, have a question as to whether your times from specific meets have been received by us, I would suggest that you write to me and enclose a self addressed stamped envelope.

Stamped envelope.

My feelings are somewhat ambivalent about such a strict cut-off date.

Most swimmers, as individuals, have nothing to do with getting various meet results to us. On the other hand, your committee is faced with a multiplicity of changes (printed below) when it learns of or receives meet results after going to press, As letters of disappointment over omissions arrive, we share the same chagrin as the swimmer. He or she wonders why his or her times were not included and we wonder why no one saw fit to send in the results to us. Again let me say that sending the results to Swim-Master or Swimming World is not tantamount to sending them to your tabulation committee. They MUST be sent to us.

To be sure, we goof one here and there also. We didn't realize we had two 37-year-old B. Jordan's (Barbara and Betay) and we left Bill Grant and Gene Holl out of the 500 free. Nancy Clark got credit for a free-style time in backstroke and four West Goast freestylers were listed in the butterfly due to a typing error. However, the great majority of additions were the result of two meets for which results were never received by this committee.

If your club is running a meet during the first two weeks of September 1975, please advise us of this fact and when the meet results will be available which must be prior to September 25th. Any meet results for meets before Sept. 1st must bear the on or before Sept. 15th postmark. With everyone's help, we can give you a better tabulation the first time around.

TED HAARTZ, 155 Pantry Road, Sudbury, MA 01776 (617) 443-2977
