

Short Course Meters  
**2013 Top Ten**

and Short Course World Records  
as of December 31, 2013

# CONTENTS

The 2013 Short Course Meters Top Ten is the third issue in a series of three 2013 Top Ten issues produced by United States Masters Swimming. Inside you will find the top ten times for the 2013 Short Course Meters season (swims performed in a 25 meter pool) made on or before December 31, 2013 and forwarded to the National Swims Administrator, Mary Beth Windrath, by January 26, 2014. Each LMSC is responsible for reporting the Top Ten Times, USMS national records, and world records achieved in its LMSC. The table below indicates each of the three courses and the dates for publishing the Top Ten results.

The first line under each event (which is in all caps and italicized) is the current national record for that event and age group. An "NV" after a top ten time indicates that appropriate documentation has not yet been supplied and the time is Not Verified as a record.
