

Short Course Yards
2015 Top Ten

CONTENTS

The 2015 Short Course Yards Top Ten is the first issue in a series of three 2015 Top Ten issues produced by United States Masters Swimming. Inside you will find the top ten times for the 2014-2015 Short Course Yards season (swims performed in a 25 yard pool) made on or before May 31, 2015 and forwarded to the National Swims Administrator, Mary Beth Windrath, by June 30, 2015. Each LMSC is responsible for reporting the Top Ten Times, USMS national records, and world records achieved in its LMSC. The table below indicates each of the three courses and the dates for publishing the Top Ten results.

The first line under each event (which is in all caps and italicized) is the current national record for that event and age group. An "NV" after a top ten time indicates that appropriate documentation has not yet been supplied and the time is Not Verified as a record.

Top Ten Patches

Each person (individuals and relay members) on this list is eligible to purchase a Top Ten patch with stroke segment. To order: Make checks payable to Lake Erie LMSC. Go to http://www.usms.org/comp/tt/tt_patch_form.pdf, print and complete the order form and send your information to:

All American Patches and Certificates (see patch design at left)

Once the SCM Top Ten is finalized, the official 2015 All American Roster will be produced. A swimmer/relay who has the top time in one or more events in any one of the three courses qualifies for All American status. Individual All Americans will be sent a congratulations letter from the USMS

National Office. To order an All American Certificate and Patch, send a check for \$5 made out to USMS to:
USMS Membership Office
P.O. Box 185
Londonderry, NH 03053-0185

Those individuals performing the most first place times, in the most events, in their age group are awarded All Star status. All Stars will receive a special certificate from the USMS. All American (individual) and All Star rosters will be listed on our Web site.
