

# SWIM-MASTER

VOL I - No 1 THE OFFICIAL PUBLICATION OF THE AAU MASTERS SWIMMING COMMITTEE FEBRUARY 1972

## Masters Invitational Produces Records and Fun

CLAUDE WEST

DAN MALONE

JACK KELLY

REED RINGEL

The first official AAU Masters Swimming Meet was held at 6 p.m., January 1, 1972, at the Swimming Hall of Fame Pool in Ft. Lauderdale, Fla. AAU President Jack Kelly started the meet off with an exhibition 100 meter free-style. Kelly also presented medals to some of the winners (above photo); Claude West of Jacksonville, Dan Malone of Miami Beach, Kelly, and Reed Ringel of Ft. Lauderdale.

ASCA president Bob Ousley was the referee while Dick Steadman of Monmouth College and Buck Dawson, SHOF director acted as an announcing team with anecdotes on the swimmers.

Some age groups were combined, as the New Year's Day date limited entries to 35, yet every event was sprinkled with former Olympic swimmers, national champions, World and American record holders.

One race had 1952 Olympian Gay Rosser competing with 1956 Olympian Dick Hanley. The 1941-44 AAU National Champion Riviera Club team had three girls in the meet - the Fogle sisters (Cynthia Bruce and June Krauser) and Mary Ann (Walts) Meekins. Likewise, the 1955 National Champion Walter Reed Swim Club was represented by Wanda (Werner) Cavanaugh and Peggy (Morris) Weinants, with Shelly Mann of the same team passing out the medals.

The 1968 British Olympic co-captains Jill Slattery (now representing the Indianapolis Athletic Club) and Tony Jarvis were multiple winners in the 25 to 34 age group.

Combining age groups kept the meet going at a fast pace and the unlimited number of entries meant that eleven-time national champion Cynthia Bruce and 1955 Pan American double winner Wanda Cavanaugh swam more races in a shorter time than in their prime days as AAU national champions.

Wanda Cavanaugh came to the meet having just won a National AAU gold medal in the Senior National AAU Women's Water Polo Championships held in Miami playing with the Palmetto Barracudas. Wanda thus won her 1st AAU National gold medal in 1953 and her most recent in 1971. She and Cav Cavanaugh were the only husband and wife team to swim in the meet, their Ransom Aquatic Club taking home the team trophy.

At least two winners sported beards, Jarvis and Dick Lahde, refusing to shave down for the meet.

Many new Masters long course records were established. Few Masters meets have been held long course to date. Marge Councilman, handling the recording of meet times, recorded her husband's winning breaststroke 100 as "Doc" sprinted in ahead of Terry Carlisle and John Sharemet.

Everyone had fun in this fast-moving meet, which will become an annual affair, though not on New Year's Day. Many other former champions will be on hand next year for this reunion of swimming's "Over the Hill Gang".

# MASTERS NOTES SWIMMING

After our initial SWIM-MASTER we now have 89 subscriptions and we would like to have many more. Only you 89 have received this issue. There is a subscription form on the back page for you to give to one of your friends that might like their own copy of SWIM-MASTER. If each of you could find one subscriber we could double our subscriptions! We welcome all comments and any material that you might wish to contribute for publication...An ego shattering experience; After three workouts, Terry Gathercole decided to look at the pace clock and time his 50 freestyle. He did a :28 and it felt so good he decided to try a 50 breaststroke. The clock read :34. These were acceptable times for someone in the 35-39 age group until he remembered he was in a 20 yd pool! ...Seen working out in the daily 50-50's (run for the period of the College Coaches Swim Forum in Fort Lauderdale) was Jack Kelly, tuning up for the meet held Jan 1st at the SHOF pool.....Neville Alexander, National Swimming Champion of Jamaica in the 40's says from his experience in the UofM Masters Meet, "that one has to be in condition for swimming. It is not enough to jog every day and do strengthening exercises such as calisthenics. One has to swim on a regular basis in order to do well in swimming competition. The Masters Program is a great idea and I am now going to start swim training for my next competition."....The second annual National AAU Aquatic Planning Conference occupied a busy weekend January 21-23 in Indianapolis. Recommendations that arose from the Conference will be submitted throughout the country in survey form. Many of our Masters swimmers attended including John Spannuth, Ray Jutkins, Jack Kelly, Ralph Lines, June Krauser, Jim Counsellman and Jim Stevens. Interest in our program was expressed by R. Jackson Smith, FINA Diving representative; Bob Helmick, Men's National & Olympic Water Polo Chairman; and half a dozen subscriptions.....

## Ocean Swim

Rough seas of 10 to 15 feet forced postponement of the Galt Ocean mile swim on two consecutive days. It was finally held on Monday, Dec. 28th at Ft. Lauderdale. The entrants were as diverse as the strokes used to conquer the 2 to 4 foot waves. Hundreds lined the beaches to watch as swimmers from 8 yrs old and up swam the mile course. The Masters Women (over 25) was won by June Krauser with Babe Wright 2nd, and Jane Anderson 3rd. Winning the Masters Men was 26-year-old Tom Licotte, with Reed Ringel 2nd and Herb Kern 3rd.

## 1971 MASTERS CHAMPIONS

Compiled by F.H. HAARTZ & HAL ONUSSEIT

(ALL FIRST PLACE TIMES ARE NATIONAL MASTERS RECORDS)

### WOMEN

25-29

### MASTERS SWIMMING NOTES

Gus Clemens writes, "I think the program is great for the old timers - it gives us a goal to shoot for and keeps us in great shape."...Al Schoenfield, editor of SWIMMING WORLD, asks that we send him meet results and they will do their best to give us coverage. (12618 Killion Street, North Hollywood, CA 91607)....And speaking of meet results, the two most important people to place on your mailing list are Ted Haartz (155 Pantry Road, Sudbury, MA 01776) and Hal Onusseit (33 Barrows Road, Reading, MA 01867). For it is these men that keep track of our top ten times and records. It would help them tremendously if you could place the age of the competitor behind his name each time it appears on your result sheet. Don't forget to send SWIM-MASTER a copy of your results and Capt. Ransom Arthur (our Masters Chairman) would also like a copy (4961 Ocean Blvd., San Diego, CA 92109)....Many people have requested names of interested Masters swimmers in their area. A list is being compiled from many existing lists and should be available by March 1st. There might be a slight charge for this list to cover printing and mailing. Write to either John Spannuth or SWIM-MASTER....Bill Williams suggests - Do your heart a favor - SWIM!... Lt. Cecilia Brown USN says, "I was so happy to see a publication devoted exclusively to Masters Swimming. I look forward to reading up to date information on masters meets and happenings".....Carl Yates writes, "I hope you will print meet results to six or more places---This reaches more people and is what most swimmers would rather see---"....This we did Carl, and until we have so many swimmers that we don't have room for them all we will continue...Charles Keating's secretary writes, "We are, of course, registering Mr. Keating in the Masters Program. He is looking forward to participating - should be great!"

.....AND YOU SWIM BUTTERFLY !!!
